

A SPIRITED DOUBLE-SHOT

nisi
GTX50

WELCOME TO YOUR NEW WORLD OF **XPRESSO**

An exciting departure from mass produced multihulls, GTX50 has a unique luxury beach house feel that has redefined the multihull category. Drawing on demands from experienced yacht owners and NISI's own megayacht fleet, GTX50 delivers both style and strength, with efficient offshore performance and unprecedented exterior and interior spaciousness.

nisi
GTX50

Exponentially Exhilarating

GTX50 delivers more for every cubic inch of space than imaginable. Panoramic windows, expansive flybridge and open-door decks create a seamless, relaxing experience with the sea. High performance, she offers 20% more speed than comparable multihulls and 45% more than comparable monohulls, per horse-power. GTX50 is the only multihull in the sub 60 foot size range that runs in excess of 32 knots, with 40% better fuel consumption.

Unparalleled Performance

XPRESSO OFFERS
A TRUE NISI SENSE OF OCCASION.
ENJOY YOURS...

Recognized as this year's most innovative new yacht release at the Cannes World Yachts Festival, GTX50 inspires owners with a uniquely NISI experience: casual opulence at sea, unparalleled performance and unyielding attention to detail. Taste the spirited double-shot that is XPRESSO.

Is Your Yacht GTX Strong?
